

# GUIDELINES FOR REOPENING

The Ice Pond at Waunakee is looking forward to reopening on June 1, 2020. While we were closed, we were busy preparing for our reopening with by establishing new safety, hygiene, and distancing measures. We are fully committed to safeguarding the health and safety of all employees and customers. For this reason, we ask that you review and following the guidelines outlined below.

1. Groups must provide a complete participant list and all users (or their legal guardians if below 18) must sign our combined waivers (general liability and COVID-19) before entering the facility. We reserve the right to deny entry to (or ask patrons to leave) any participants that have not executed such waivers.
2. Ice sessions are limited to a maximum of 20 individuals per session.
3. Players must dress at home and show up to the rink no more than 15 minutes before their ice session. Locker rooms or shower areas are closed.
4. Restrooms should only be used if urgent and are not to be used for changing purposes.
5. Arrange to drop off kids or limit parent/guardian accompaniment to one.
6. No spectators will be allowed until further notice.
7. Make sure no one in your group or their family members has a fever, cough, or other symptoms of COVID-19. If a player, coach, or parent has any sort of illness, coughing, or sneezing, they will be required to leave the building immediately.
8. Leave valuables/personal items at home. We will no longer maintain a Lost & Found.
9. Do not bring outside food/beverages into the rink. Players will be required to use their own individual water bottle and fill them up at home.
10. Everyone entering the building is required to wear a face mask. (Face masks will not be required while on the ice.)
11. Make sure everyone in your group understands social distancing, that is staying at least 6 feet away from others.
12. Hand sanitizing stations will be available and strategically placed throughout the building. Employees will continuously filling hand sanitizer and hand soap.
13. Everyone is expected to wash their hands often with soap and water for at least 20 seconds, especially after going to the bathroom, blowing your nose, coughing, or sneezing.
14. Avoid touching your eyes, nose, and mouth.
15. The Ice Pond continues to prohibit all spitting within or around the facility.

16. Ice Pond staff will be randomly testing temperatures of players and coaches entering the building.
17. Arrival times will be staggered.
18. Players MUST leave rink within 15 minutes of the end of their ice session so rink staff can properly clean before the next group arrives.
19. Players will not be allowed to take off gloves to shake hands.
20. There will not be open hockey or public skating sessions until further notice.
21. The only entry point to the facility will be the Entrance on the East side of the building. The path to the rink will be clearly marked.
22. There will be chairs spaced 6 feet apart at the southeast corner of the rink for players to put their skates on and off.
23. Players and coaches will exit the way they entered.
24. Pro shop will not be open.
25. All other areas of the rink will remain closed until further notice.
26. We will schedule a 30-minute gap between groups so there is no user overlap.
27. The entryways door handles, restroom fixtures, chairs, rink gate door handles will all be disinfected regularly between ice sessions.
28. Staff/customer interaction will be only as needed.
29. All employees will be wearing masks and protective gloves.
